The following is a brief history and transcription of the written entries in the family bible of Isham Bradley. The author of this paper is James L. Bradley, Isham's 2nd great-grandson.

According to the cover page of the bible it was printed and sold in 1826. An entry in the back cover of the bible states "Isham Bradley his Book July 6, 1827".

The exact history of who possessed the bible through the years is unknown, however part of that history can be traced:

- Elizabeth Catherine Bradley "Bettie" was born April 19, 1849. She was the daughter of Isham Bradley and Mildred Presha (Williams) Bradley. Bettie Married Lewis Adkins on December 23, 1875. Bettie must have taken possession of the bible after the death of her parents and siblings.
- Elizabeth Catherine Adkins born about 1891 was the daughter of Bettie and Lewis Adkins. She married William H. Mays June 20, 1905. The bible stayed in this family until it was passed to their daughter Georgia Ann Mays.
- Georgia Ann Mays gave the bible to Janie (Woodson) Crosby.
- I, James L. Bradley, while doing genealogy research in the Clerk's Office for Pittsylvania County in Chatham, VA had a chance meeting with Janie. During a conversation about our genealogical research Janie asked if I had an Isham Bradley in my family. I replied that he was my 2nd great-grandfather and Janie stated that she had Isham's bible. I later requested in a letter to Janie that she give me the bible. On Wednesday October 12, 1997 at her home in Gretna, VA, Janie graciously presented me with the bible. It is a treasure that I will cherish as long as I live. After a 170 years, Isham Bradley Bible is home again in the Bradley family.
